Mr. William David Magreevy
Rt. 4, Box 1641
Eufaula, Oklahoma 74432

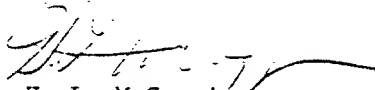

Dear Mr. Magreevy:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend or refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

H. L. McCoggins

Sexual abuse of two 11 year old Scouts and one 8 year old boy and possibly several others. Details of this report came from interview with the Methodist minister whose church sponsors the troop, the Scoutmaster, and the father of one of the boys concerned. Information derived from personal interviews with the two 11 year old boys and also from statements made by both boys in a meeting attended by several parents and the leaders of the troop. The minister is also the chairman of the troop committee and Mr. Magreevy is a member of his church. The minister has met with Mr. Magreevy and some of the statements in this report are a result of this meeting.

Subject 1. An 11 year old who has been a Scout about a year. At a Scout campout in September where Mr. Magreevy was the only adult present, the boy slept in the same tent with Magreevy. Magreevy made sexual advances to the boy who resisted and then consented. Magreevy performed fellatio on the boy. He attempted to get the boy to do the same for him but the boy refused and moved to another tent.

Subject 2. An 11 year old Scout and his 8 year old brother. Not on a Scout activity. Mr. Magreevy took the two boys swimming to a nearby cove. With the boys in the water he had them remove their swimming trunks and performed fellatio on each of them.

Subject 3. A 14 year old at a growth conference in one of the small rooms at the church meeting room of the troop. Magreevy exposed himself to the boy, talked about homosexuality and showed the boy pictures from homosexual magazine.

Magreevy in an interview with the minister did not deny manual manipulation of the boys but did deny oral contact.

The father of [REDACTED] has filed criminal charges against Mr. Magreevy. These charges have been deferred by the local district attorney pending mental evaluation and treatment of Magreevy in the Carl Albert Mental Health Center in McAlester, Oklahoma.

Other information furnished by the minister as a result of his interview with Magreevy includes the following:

At approximate age of 23, Mr. Magreevy was arrested in New York state for showing lewd pictures to children. He was confined to a mental institution for a year. Married after he was released.

At some later date, he was accused of "some similar activity" while living in Ohio and he went to the Scout Executive and "cleared his name." It is not known whether this was in the same location but at some recent period, probably 1977, he has been registered as the Assistant Scoutmaster of Troop 26 in Ashtabula, Ohio, N.E. Ohio Council.

He is a member of the Order of the Arrow. Also at some point in his life he was an active pilot.
